

Every Kid • Every Concert • Always Free

Master Classes

with guest performers in the
Manassas Symphony Orchestra 2017-2018 Concert Series

Each master class is an opportunity for 4-5 students to perform a piece for our guest performer, who will then give feedback and insight into their playing and the work performed. It is a great experience for both the one receiving the critique and those observing in the audience to learn to achieve a greater musical understanding and awareness.
