October Bulletin 1971

NVMTA will meet on Wednesday morning, Oct. 27th at 9:30 at the Woman's Club of Arlington, 700 South Buchanan St.. Beulah Cameron has planned a fine program especially geared for our membership, and a type of program some of you have asked for. Read about it in the announcements below. You will receive in the very near future, if not already, a brochure presenting an insurance program which has been adopted by the National Federation of Music Clubs for the benefit of every member of a federated club. To refresh your memory, one dollar of your club dues goes partly to the State and partly to the National treasuries to make you eligible for Federation advantages. This new feature is one of them. It is of inestimable value to the private teacher who is not building up a retirement annuity, as from an institution or an agency for example. This is one of the main reasons why the Federation has approved this plan and endorsed it wholeheartedly for its 600,000 members.

The pecans are being ordered and are to be shipped to the chairman the week of Nov. 18th. Please place an approximate order with Beverly Lukoskie as soon as possible - she is waiting for your call. The wholesale price went up and up this year so our selling price is \$2.15 a pound - the same beautiful halves, however.

By the time you receive this we will have cancelled the first student recital which was scheduled for Oct. 17th, the reason being that the chairman did not receive enough applications to justify holding it. The recitals must be as near to being self-supporting as possible or we cannot have them. So we have re-scheduled the first one for Sunday, Nov. 14th. The few who did indicate their intentions will be put on the Nov. 14th program, and we are asking you to get some of your students ready for that day, and the next one which is on Nov. 28th. We must have two recitals before Christmas, so let's have two rousing ones in November. Come to the Oct. meeting prepared to get application blanks from Virginia Miller. Friday, Nov. 5th is the deadline for submitting material for the first program. Call Virginia, if you have to miss the Oct. meeting, so that she can mail you some blanks - then USE THEM !!

Announcements

Program Notes: You will want to take notes on our next program! If time permits, a question and answer period will follow. Come, take advantage of this mini-workshop.

March Bulletin

The regular monthly meeting will be on March 29th at 9:30 at the Woman's Club of Arlington, 700 S. Buchanan St.. The program is described below. The nominating committee will present a slate of officers for 1972-73, which will be voted on at the April meeting. That provides time for you to secure the consent of any nominee you may wish to present from the floor before the election. Also at this meeting we must choose two delegates to the VFMC State Convention in Lynchburg April 19-22.

The enclosure tells about the artist we are presenting in concert on Tues. April 4th at 8:00 P.M. at the Woman's Club. All members are expected to come to hear Loren Withers and you may bring one guest with you. Non-members will pay a fee of \$2.00, and student admission is \$1.00. We urge you to present this to your students as a professional opportunity to hear a "live recital" and urge their parents to bring them. This is not a children's program so we request that you include your Junior and Senior High School students only.

On the following day, April 5th, Mr. Withers will conduct a workshop from 9:30 to approximately 1:00 P.M. at the Woman's Club. There is no fee for members of NVMTA, and \$5.00 is the fee for non-members. The teaching of technique is to be a special feature. If you know teachers who are not members of NVMTA, tell them about this and announce the time as no later than 9:15 so that they can pay their registration and we can all be "settled in" by 9:30.

Call Helen Moore for Scholarship applications -- don't forget the deadline for return is a post-mark of April 1st.
